Angel Tree 2011 Jane Manuel, Sandy & Mickey Penton. Again we were able to help make sure some children have a little something for Christmas. We adopt several "Angels" every year to purchase gifts for, then we are on stand-by to help if Jane needs help with any child left on the tree. The club takes the older children as they are to last ones to be taken and their gifts are more costly. We also bought for 4 children that DHS brought to Jane's attention that were not going to have any gifts. 3 other children will be getting some much-needed clothes. Thanks to all that gave donations!
