BOULEVARD CRUISERS' INVITED TO TOUR PRIVATE COLLECTIONS

February 5, 2011 a Boulevard Cruisers tour to Champagnes's **NEW** Antique Auto Museum near Covington. This is a collection of mostly Model A Fords and Early Ford V8s, with a few other interesting vehicles and much automemorabilia thrown in for good measure. To make things better, we will continue on to Ponchatoula for lunch and follow that with a visit to another private auto and memorabilia collection just east of Ponchatoula.

Meet at the Cruise site at 9:15 AM for a 9:30 AM departure. Note that it is very important that you travel with the group or meet us at Champagne's for 10:30 AM entrance to the property. The gate will only be opened at 10:30 for our admission. It will then be closed and late arrivals will be unable to enter.

Drive any vehicle, new or old, but be sure to make it on this interesting trip. It is a rain or shine activity and will not be cancelled for anything less than a sleet storm or blizzard. Any questions call Charlie Froehlich at 601-749-9935.
