
ANOTHER BLAST FROM THE PAST

This is a 1949 Ford convertible found by Jim Kennedy in 1956.
It had a flat head Ford engine with aluminum Edelbrock heads. Someone had added 2+2 carburetors, duals. It had been lowered…..made it corner better and handle better at high speeds. That was probably a plus in it's role as a Whiskey running car!
Of course, all the whisky running was before Jim…..

NOVEMBER 5TH BOULEVARD CRUISERS' FALL SHOW. MEMBERS, WE NEED YOUR HELP WITH PARKING, REGISTRATION, TICKET SALES, AND POSSIBLY SOME TO HELP WITH JUDGING. Members need to be there at the show site by 7:00 to help park. We can use help anytime during the day for breaks at the registration table or any number of things. Just stop by and see what's going on at the time. Thanks.

INVITATION FROM FIRST BAPTIST CHURCH OF CARRIERE. We have been invited to come for Sunday Services November 27th for the 11:00 service. This service will one of Bro. Gary's televised ministry services. You are asked to bring your classic car for the event. There will be 'Dinner on the Ground' also that day which you are also invited to enjoy.
